Bald Fire

CA-LNF-003479

FACTS Fuel Projects 2004-2014

- FirePolygon
- 2013, Tree Release and Weed
- 2013, Underburn - Low Intensity (Majority of Unit)
- 2013, Range Cover Manipulation
- 2013, Wildlife habitat non-structural maintenance
- 2013, Invasives - Mechanical /Physical
- 2013, Burning of Piled Material
- 2013, Precommercial Thin
- 2013, Watershed Resource Non-Structural Improvements Maintanence
- 2012, Tree Release and Weed
- 2012, Watershed Resource Non-Structural Improvements Maintanence
- 2012, Underburn - Low Intensity (Majority of Unit)
- 2012, Invasives - Mechanical /Physical
- 2012, Range Cover Manipulation
- 2012, Wildlife habitat non-structural maintenance
- 2012, Burning of Piled Material
- 2012, Wildlife Habitat Improvement
- 2011, Invasives - Mechanical /Physical
- 2011, Precommercial Thin
- 2011, Tree Release and Weed
- 2011, Range Cover Manipulation
- 2011, Range Grazing Non-Structural Improvements
- 2011, Broadcast Burning - Covers a majority of the unit
- 2011, Wildlife habitat non-structural maintenance
- 2011, Burning of Piled Material
- 2011, Watershed Resource Non-Structural Improvements Erosion Cont
- 2011, Rearrangement of Fuels
- 2011, Wildlife Habitat Improvement
- 2010, Underburn - Low Intensity (Majority of Unit)
- 2010, Site Preparation for Planting - Mechanical
- 2010, Stand Clearcut (EA/RH/FH)
- 2010, Watershed Resource Activities
- 2010, Invasives - Mechanical /Physical
- 2010, Wildlife Habitat Prescribed fire
- 2010, Plantation Survival Survey
- 2010, Range Cover Manipulation
- 2010, Burning of Piled Material
- 2009, Broadcast Burning - Covers a majority of the unit
- 2009, Underburn - Low Intensity (Majority of Unit)
- 2009, Invasives - Mechanical /Physical
- 2009, Site Preparation for Planting - Mechanical
- 2009, Stand Clearcut (w/ leave trees) (EA/RH/FH)
- 2009, Insect Prevention
- 2008, Site Preparation for Planting - Mechanical
- 2008, Underburn - Low Intensity (Majority of Unit)
- 2008, Invasives - Mechanical /Physical
- 2008, Precommercial Thin
- 2008, TSI Need Created- Precommercial Thin
- 2007, Thinning for Hazardous Fuels Reduction
- 2007, Compacting/Crushing of Fuels
- 2007, Invasives - Mechanical /Physical
- 2007, Burning of Piled Material
- 2007, Stand Silviculture Prescription
- 2007, TSI Need Created- Precommercial Thin
- 2007, Site Preparation for Planting - Mechanical
- 2007, Underburn - Low Intensity (Majority of Unit)
- 2006, Burning of Piled Material
- 2006, Compacting/Crushing of Fuels
- 2006, Underburn - Low Intensity (Majority of Unit)
- 2006, Broadcast Burning - Covers a majority of the unit
- 2006, Stand Silviculture Prescription
- 2006, Site Preparation for Planting - Mechanical
- 2006, Invasives - Mechanical /Physical
- 2005, Stocking Survey
- 2005, Invasives - Mechanical /Physical
- 2005, Rearrangement of Fuels
- 2005, Site Preparation for Planting - Mechanical
- 2005, Underburn - Low Intensity (Majority of Unit)
- 2005, Burning of Piled Material
- 2005, Group Selection Cut (UA/RH/FH)
- 2005, Commercial Thin
- 2004, Burning of Piled Material
- 2004, Broadcast Burning - Covers a majority of the unit
- 2004, Rearrangement of Fuels
- 2004, Commercial Thin
- 2004, Group Selection Cut (UA/RH/FH)
- 2004, Precommercial Thin
- 2004, Stocking Survey
- 2004, Underburn - Low Intensity (Majority of Unit)
