<b>INCIDENT OBJECTIVES</b>	1. Incident Name Ranch Fire	2. Date 10/24/2007	3. Time 2100

4. Operational Period

Day shift 0600-1800 October 24, 2007

5. General Control Objectives for the Incident (include alternatives)

Management Objectives:

1. Provide for firefighter safety by adhering to the Ten Standard Fire Orders, the 18 Situations That Shout Watchout, LCES and the Work/Rest Guidelines.
2. Provide for public safety through timely closures, evacuations and information.
3. Maintain accountability of all resources when fighting fire in and around structures and on new starts.
4. Maintain coordination and communications with adjacent fires.
5. Assist responsible agencies with Initial attack as requested.

Operational Objectives:

1. Keep the fire west of Interstate 5
2. Keep the fire south of the Day fire perimeter
3. Keep the fire north of Highway 126
4. Keep the fire east of Highway 150

6. Weather Forecast for Period

Red flag warning in effect until 1600 hrs today.

Northeast winds of 12 to 17 mph with gust to 28 mph in the morning will decrease through the late afternoon.

Max temp upper 80s- lower 90s.

Min RH 9-12%

7. General Safety Message

Power poles and downed power lines continue to be a problem. Watch out for falling oak trees as well, they can spread fire across control lines or fall on you.

8. MEDICAL EMERGENCY PROCEDURES								
<b>Request medical evacuations via Ranch Communication on the Command Channel or (661) 294-8935.</b>								
<b>GIVE: Location, Number of injured, Severity of Injury, and Type of Injury and Resources needed. (As time permits give Medical complaint, Age, Sex, and Weight).</b>								
<b>When requesting air evacuation, give lat and long for LZ &amp; Jurisdictional County if possible.</b>								
❖ <b>Special Note: Both Ventura and LA County Helicopters have night vision and hoist capable.</b>								
<ul style="list-style-type: none"> <li>All Crews and Engines: Identify your EMT's and First Aid equipment for the benefit of others.</li> <li>Please notify your Division Supervisor or Strike Team Leader of your medical capabilities.</li> </ul>								
ICS 206 8-78	9. PREPARED BY (MEDICAL UNIT LEADER) Scott McKenney/Mike Hazlett, MEDL			10. REVIEWED BY (SAFETY OFFICER) Robert Klinoff, SOF1				
								

# *TRAINING MESSAGE*

As the complexity of the incident increases, the opportunity to provide quality training is even more evident. It takes a cooperative effort from the Trainer to show faith, support, and patience along with a Trainee who is willing to learn, listen, and demonstrate their ability in a safe and professional manner. Seize the moment and capture the most out of this experience.

Come by and sign up with the Training Specialist.

**Thanks for your efforts,  
John Crotty  
Training Specialist**
