Warm Springs	1	WR	8,333 ft	43° 33.866' N	109° 49.072' W
Fort Washakie Helibase	2	-	5,570 ft	43° 0.329' N	108° 53.208' W

Map Note:
Localized areas of turbulant winds exist throughout the Shoshone National Forest and on adjacent lands. Always be alert to approaching weather systems and pay attention to local topography which influences weather, especially those features which channel winds.
