**SAFETY MESSAGE**

Incident:  
Sweat Farm Road

Date:  
June 15, 2007

Time:  
Day

**Major Hazards and Risks:**

- **Driving**
- **Weather**
- **Mop Up hazards**
- **Insects/Animals**
- **Logging Operations**

Scan the road ahead to spot hazards. Watch out for ATVs, heavy equipment and foot traffic in or near your path of travel. Get out of the vehicle and look prior to backing or use a spotter if someone is available.

With these temperatures continue to drink plenty of water to stay hydrated. **Monitor Command Channel for Weather Alerts.** Be sure the message is past on to all resources assigned. Cover lightning safety during tailgate briefing prior to starting work.

**Look Up, Down and Around** for snags, reburns, stump holes, hot pockets and other hazards. Be sure to **communicate** these hazards with all. Mitigate the ones you can and report the ones you can't to your Safety Officer.

**If it lives here, it Bites!** Snakes, ticks, alligators, bears, sand gnats and other critters are on the move so watch where you walk and check yourself for ticks daily. **Do Not play with the wildlife!**

**Be aware** of heavy traffic use by log trucks on both dirt & paved roads. Trucks require **higher** speeds on the sandier dirt roads to get through some spots and the best solution is to pull over & allow them to pass.

## **Symptoms & Signs of Heat Illness**

**Heat Exhaustion:** Victim will have cool, clammy skin; pale coloring; feel weak, dizzy and/or nauseous.

Treatment – Have individual sit in shade or cool area; administer fluids; loosen clothing and assure rest.

**Heat Stroke:** *This is a medical emergency!!*

Victim will have hot, dry, red skin and possible convulsions. These symptoms can progress to unconsciousness and death!

Treatment – Immediately cool individual's body by pouring water over them, especially the head and upper body. Contact the medical unit. Monitor the victim and provide whatever medical support necessary. Placing ice around the neck, groin and armpits can help speed the cool down.

**Safety Officers:** Mark Munns, John Godwin, Julian Beasley, Tommy Hawkins, Charles Wood, Phil Spor, Boyd Gossard & Shelby Charley
