I, the undersigned user, do hereby request information from the Utah archaeological maps and project and site files. I understand that the information on these maps and in these files is protected and not available to the general public. In consideration of access to this information I agree to: (1) use this information only in compliance with the applicable Federal and State laws; (2) supply copies of any publications resulting from the use of these files to the Utah Division of State History; (3) use the files in a responsible manner; (4) not allow copies of these protected records to be made by or for any third party; and (5) report any and all information access violations (actual or potential) to the Utah Division of State History. The only permissible intended uses for these files are for cultural resources management, research and education by professional archaeologists holding appropriate federal or state permits. Access to these protected files may be terminated upon violation of any of the above conditions. It is a Class B Misdemeanor to improperly disclose or provide copies of private, controlled or protected records, according to §63-2-801.

Notes _____

The Utah Division of State History is the authority of the State of Utah for archaeology and anthropology, and therefore is the governmental entity with the interest and responsibility to protect archaeological and anthropological sites and site data. These data are designated as protected under provisions of the Governmental Records and Management Act (GRAMA). The Division hereby consents to the release of the information to the above applicant for the purposes stated in the application and with the limitations contained herein.
