

Statewide Fire Overview

Tuesday, July 1, 2008 9:00 p.m.

Current Situation: State, local and federal firefighters continue to battle hundreds of wildfires throughout California. Although fires continue to burn, several hundred fires have been contained by the relentless work of firefighters from California and throughout the nation. Military assistance continues to increase in the form of helicopters and air tankers. California National Guard personnel will begin training this week for deployment on the fire lines early next week. The priority of firefighting is for the protection of life, property and natural resources.
