An aerial map of a forested area with a wildfire perimeter highlighted in brown. The perimeter is irregular, following the terrain and some cleared areas. Burnout areas are indicated by red dotted lines. Operational points are marked with labels: DP-51, DP-75, DP-84, DP-86, DP-88, H-12, and H-16. A network of roads is shown, with some marked as 'Primary Route' (thick dashed line) and others as 'ABANDONED' (thin dashed line). A grid of pink lines is overlaid on the map, with coordinates labeled along the edges. A legend in the top-left corner explains the symbols used. A scale bar and a north arrow are also present in the legend area.
