Bridge Creek Fire

A detailed topographic map of the Bridge Creek Fire area in Oregon. The map features a grid of latitude and longitude coordinates. A red line indicates the uncontrolled fire edge, which is primarily located in the upper central part of the map. A thick orange line shows the travel route, starting from the bottom left and winding through the landscape. The map includes numerous labels for roads, such as State Highway 21, State Highway 25, and various local roads like Keno Tr Rd, Bridge Cr Rd, and Silver Cr Rd. Water bodies are shown in blue, including Twin Lakes, North Twin Lake, South Twin Lake, and the Columbia River. The terrain is depicted with brown contour lines indicating elevation. The map also shows the locations of several towns and communities, including Keller, Gifford, and Cedonia. The overall area is labeled as the Bridge Creek Fire area, with the fire's extent clearly marked by the red line.
