This topographic map shows the Suiattle River and surrounding terrain in the Mount Baker National Forest. The map is divided into four main sections labeled DIV A, DIV D, DIV Y, and DIV F. Key features include the Suiattle River, Teepee Falls, and various creeks like Tenas Creek and Huckleberry Mtn. The map displays contour lines, roads, and various repair status markers. A legend in the top right corner defines the symbols for repair status, road closure, and other features. A title block in the top left corner provides map details, and a north arrow is located in the bottom left corner.
